

# **WILTON HERITAGE COMMISSION**

## **MINUTES FOR FEB. 25, 2014**

The meeting was called to order on Feb. 25, 2014 at 7 p.m. at the Wilton Public and Gregg Free Library. Present were Stanley Young, Michael Dell'Orto. David Potter, and Nancy Clark.

The January minutes were read and approved.

The Treasurer reported no money had been spent.

On the matter of the Frye Farm easement, Stanley reported he had been to several meetings concerning the subject. He feels that the land is well worth preserving and it is one of the prime parcels of land on the Conservation Commission's wish list. The long history of the Frye family's ownership and working of the farm is also significant. (Note: The Warrant Article authorizing the contribution of up to \$80,000 towards the purchase of the property passed at Town Meeting.)

Jean Vincent is next in line to be interviewed and filmed as part of the ongoing Oral History Project.

David displayed a mockup copy of the Historic Wilton Tour brochure. He noted that to be cost effective, we should authorize a run of 2,000 copies at the cost of 70 cents apiece. If we do most of the editing and graphic design work ourselves, the total cost should come to about \$1400. The printer suggests charging \$2 or \$3 apiece for the maps. He said he prints a run every few weeks so it won't take long to produce the maps once we're ready to go to press. We shall have to find out whether we need permission to use the Town Seal on the map.

The text for the Laurel Hill Cemetery is now being worked on.

The meeting adjourned at 9 p.m.

Respectfully submitted,  
Nancy Clark, Secretar
